Sub: Approval For Nimesh Memorial Cup 2016

Sir,

Game has been playing a major role to entertain and build the relation between the players, a medium to show the sportsmanship and even a way to enhance the discipline. So we have planned to organize the football Tournament within the students of Computer department at Kathmandu University. The match schedule will be either on holidays or after 4 pm during studying days so that there will be no hamper in academic program.. Main purpose of this event is to create a platform for developing the relation with the students of Computer department of different semester . This tournament will help exposing the talents in this game along with developing sportsmanship and game manners. Also this will help to refresh from heavy loads of their studies.

We humbly request you to approve this programme and support our effort. We would be very grateful if you could grant us the permission to carry out this tournament.

We would like to thank you for your support and co-operation in anticipation.

To
Dr.Manish Pokhrel,
Head of department,
Department of Computer science & Engineering,
Kathmandu University,
Dhulikhel ,kavre.

Date: 7/11/2016

Dear sir,
Kathmandu University Computer Science & Engineering Club (KUCC) is planning to organize a football & Basketball tournament among the students of Computer department for the purpose of creating a platform for developing the relation with the students of our faculty and creating unity among the students. All the games will be conducted before and after class hours and none of the classes will be hampered because of it. So we humbly request you to grant us a permission for the active participation of our Computer students in the tournament so that they can show their talent in sports.

We hope for your positive response. Thank you.

Nimesh Memorial Cup 2016

“ For The Good of the game”

INTRODUCTION AND BACKGRUOND

Background: This tournament is going to be organized by “Kathmandu university Computer Science & engineering club” (KUCC). This clubs is established for welfare and betterment of department as well as of students. Since this clubs is the association of student so it runs for nonprofit motive. This clubs always assist for the event organized by the students and department both. So we are going to organize a volley ball tournament between students within this Computer department.

Purpose: Main purpose of this event is to create a platform for developing the relation with the students of Computer faculty and create unity among the student. This tournament will help exposing the talents in this game along with developing sportsmanship and game manners. Also this will help to refresh from heavy loads of their studies.

Need: KUCC is going to organize this tournament in Kathmandu University. This type of game has become a best way for the inter-action among the student. In same perspective point of view we also want to organize this tournament so that this will be an opportunities for a student to show their talent and develop a good relation between students of our department.

DISCUSSION

KUCC has been organizing this type of event every year successfully. We are continuing this trend and hope to be successful like before. We have successfully organized Interdepartmental Football tournament. We have experienced Organizer and organizing committee who have been working on this field. We had media teams on organizing Sports Week 2016.
